

PMA Grant

To Undertake PhD Studies in Economics and Monetary Policies

سلطة النقد الفلسطينية
PALESTINE MONETARY AUTHORITY

PMA is offering grants to fully fund PhD scholarships in economics with focus on monetary policies and related fields. Two grants are available per year for four consecutive years, starting from the academic year 2010.

Grant Conditions:

- Applicant must hold a Master's degree in economics or mathematics
- Applicant must have already secured admission from an internationally-renowned university in the field of economics and monetary policies
- Applicant must pass exams required by PMA
- Applicant must secure PMA's prior approval regarding the programme of study and the dissertation topic
- Applicant is required to return to his/her homeland and work at PMA for a period of no less than 5 years following completion of studies

The value of the grant offered to each successful applicant will be 50000 USD per year to cover tuition fees and living costs.

Eligible candidates interested in competing for the above-mentioned grant are required to send their applications to the following email:

economist@pma.ps

The application must include the applicant's academic qualifications, his/her field of specialization, the name of the granting university, the programme title and its academic ranking.

Notes:

- Applications will be accepted through email only
- PMA is an equal opportunity and non-discriminatory institution
